THE COVER PICTURE

With the corner shots of Forward Bruce Watson, the lay-ups of Guards Don Hunt and Dave Goulder, the re-bounds of Forward Harvey Cable and Center Dan Luce, and the sixth man Don Marvell plus the combined action of Corey Hills, Wayne Stiles, Graham Watson, Alan Simpson and Joe Marcum, Coach Robert McGettigan's Hollis High School Cavaliers won the 1968 N.H. State Class "S" Championship with an undefeated record of 22-0. The Cavalier's record of 22-0 was the second time in New Hampshire history that a New Hampshire High School basketball team has gone undefeated for a whole season, second only to the 1965 Hollis High basketball team.

TOM HARDY,
Manager

Front row left to right: Joe Marcum, Wayne Stiles, Donald Hunt, David Goulder, Donald Marvell and Corey Hills. Back row left to right: Coach Robert McGettigan, Bruce Watson, Dan Luce, Harvey Cable, Graham Watson, and Alan Simpson.

MEMORANDUM FOR THE RECORD

The following information was obtained from a review of the records of the Department of the Interior, Bureau of Land Management, regarding the land acquisition project in the State of California. The project involves the acquisition of certain lands for the purpose of establishing a national monument.

Dated: _____
at _____

The information is being furnished to you for your information and use in connection with the above-mentioned project. It is requested that you advise the Bureau of any changes or corrections that may be necessary.

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hollis in the County of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Hollis on Tuesday, the eleventh day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the reports of the Selectmen and other Town Officers and Committees.
4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
5. To see if the Town will vote to accept State Aid for the Construction of Class V roads and appropriate the sum of \$1,288.74 to pay the town's share.
6. To see if the Town will vote to distribute blank inventories at the time of appraisal.
7. To see if the Town will vote to assess a fine of \$.25 on each poll tax not paid on December 1, 1969.
8. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be placed in the Capital Reserve funds to be used toward the purchase of a fire truck.
9. To see if the Town will vote to authorize the Selectmen to raise and appropriate the sum of \$2,000.00 to be placed in the Capital Reserve Grader Fund.
10. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be added to the Police Cruiser Capital Reserve Fund.
11. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be placed in the Town Shed Capital Reserve Fund.
12. To see if the Town will vote to authorize the Tax Collector to accept prepayments of taxes in amounts not less than \$10.00 or any amount divisible by \$10.00.

13. To see if the Town will vote to adopt a plan for extending to employees of the town the benefits of Title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes annotated amended by Chapter 302 and 332 of the Laws of 1955 and to raise and appropriate the sum of \$2,000.00 to defray the town's share of the cost thereof.

14. If a plan for Social Security coverage is adopted, to see if the town will authorize the Selectmen to execute on behalf of the town the necessary agreements with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Town Treasurer as the officer to be responsible for the administration of the plan.

15. To see if the Town will vote to participate in a comprehensive planning assistance program and appropriate \$4,500. as part of the Town's share of the total cost.

16. To see if the Town will vote to allow withdrawal of the funds in the map fund capital reserve.

17. To see if the Town will vote to allow the Selectmen to expend the map fund capital reserve money in payment for the comprehensive town plan.

18. To see if the Town will vote to raise and appropriate the sum of \$1,800. to be used by the Selectmen for the reassessment of all real property in town.

19. To see if the Town will vote to raise and appropriate the sum of \$18,000. to be used for the reassessment of all real property in the town.

20. To see if the Town will vote to authorize the Moderator to appoint a committee to select and contract with a professional outside appraisal firm for the purpose of reassessing the real property of the town, if article 19 is approved.

21. To see if the Town will vote to become a member of a Nashua Regional Planning Agency. This agency will have membership of at least two of the municipalities in the Nashua area. The objective of this agency will be to plan for and encourage regional planning analysis, provide consensus on major problems of regional concern and to assist in the effectuation of projects which extend beyond the boundaries of a particular town. The agency will have no jurisdiction over any matter of local affairs. It will be primarily advisory. Two members of the regional planning agency shall be from (the town) to be appointed by the Selectmen.

22. To see if the Town will vote to appropriate the sum of \$.15 per capita to finance studies to be conducted by the regional planning agency. These monies will be used for financing planning studies which must be approved by the regional planning agency. These funds may be used in conjunction with other State and Federal funds available for planning purposes.

23. To see if the Town will vote to raise and appropriate the sum of \$25.00 to be expended in co-operation with the N.H. Forestry and Recreation Commission for Forest Fire Protection.

24. To see if the Town will vote to approve the transfer of the management of the 5 acre Howe Lot to the Hollis Conservation Commission, subject to the aims and purposes of the commission.

The Polls will not close before 7:00 p.m.

Given under our hands and seal, this 21st day of February in the year of our Lord nineteen hundred and sixty-nine.

POLICE DEPARTMENT REPORT

The year 1968 has been an extremely active one. As the Town of Hollis grows, the demands on the Police Department increase in direct proportion.

In spite of all the progress made by law enforcement in the last decade, the gap between the criminal and justice seems to be widening. Crime is increasing and there is a growing disrespect for law and order. We certainly are in need of firmer, more rigid court rulings to curb the constant increase of criminal acts with which our community is faced with today.

A department as small as ours, working on a part-time basis, cannot be everywhere at the same time. This is why we ask for your help if you see suspicious persons, or a crime committed in your area. We need your support and cooperation.

Our break and entry and larceny complaints have reached a record high this year. We urge you to take extra precautions and notify your Police Department when leaving your home for week-ends or vacations, in order that property can be checked periodically.

Also, we would like to issue a warning and caution you about door-to-door salesmen. We urge you to demand to see a "Sales Permit" issued by the Hollis Police Department before buying and paying for merchandise or magazines that you well may never receive. No door-to-door salesmen can legally sell within this town without an authorized permit.

I want to thank the members of my department for their dedicated performance of duty. Also, the citizens of Hollis, our radio dispatcher and the Board of Selectmen, for the cooperation which helps to make this a better community in which to live.

HOLLIS POLICE DEPARTMENT
KENNETH R. BENNETT, Chief of Police
Hollis, New Hampshire

CALLS AND COMPLAINTS:

Abandoned cars	15
Accidents (Personal and Property)	72
Animals Lost and Found	10
Assault and Battery	10

EDWARD P. CARTER
 Assistant Vice President

REPORT OF THE FIRE DEPARTMENT

The past year shows a 30% increase in the number of calls requiring an active response of men and equipment. However the type of calls show the typical trend found wherever residential homes are on the increase. A greater number of requests for some type of service and an increase in grass and brush fires, especially those caused by children, always accompanies an increasing population.

There were 576 telephone calls on Fire Department phones and 234 messages recorded for the Fire Department Radio, which is a substantial increase. These occur at all hours of the day and night, reflecting the value and need of a good local service which is provided by Mrs. and Mr. McGilvary. Knowing the area and the equipment available they can get immediate active response to any emergency which someone may ask for.

58 calls were logged on the records. 13 grass and brush fires, 3 building fires, none of which were very serious, 2 lumber piles afire, 2 tree fires caused by electric wires, 4 smoke and gas investigations, 2 chimney fires, 1 oil burner backfire, 1 gas explosion, 3 car fires, 6 accident or resuscitator calls, 24 mutual aid calls to assist in Nashua, Mont Vernon, Milford, Amherst, Brookline and Pepperell, 4 false alarms, 2 lightning fires and 1 lost person. Mutual Aid assistance came to Hollis 3 times, all of which were for station coverage while Hollis trucks were busy.

The new pumper was delivered in December. It has a 750 gallon per minute pump, carries 1200 gallons of water and has full complement of hose, ladders and fire fighting tools.

A year round training program is in operation to maintain knowledge and use of our equipment and to learn about new items of fire fighting.

We would like to have more men join the Department, especially those who are around during the day.

DIAL 465-2211 for any emergency in Hollis.

WARREN H. TOWNE,
Chief

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the Spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To NEVER discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump.

If you must burn —

- a. You need a written permit from the town fire warden for ALL debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal braisers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on GRASS by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire BEFORE you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Forest fire record for 1968:

	Number of Fires	Woodland acres burned
State	593	349
District	166	147½
Town	9	1½

WARREN TOWNE, Warden
WINTHROP H. HANNAFORD,
District Chief

HIGHWAY DEPARTMENT

The 1968 Town Meeting gave the Highway Department a long needed shot of encouragement by the hiring of a full time man to work between the Sexton's duties and the roads, which worked out to a tremendous advantage in managing both departments.

Hollis is growing along with the rest of Southern, N.H., and so come problems such as more traffic making it necessary to widen more of our narrow roads using Town money rather than wait for T.R.A. funds. More attention is forced upon our brush conditions due to faster traffic than in the past. We also have more culvert and bridge repairs due to more and heavier trucks using our roads year round.

The purchase of a bucket loader was also a tremendous help in the replacing of some 200 ft. of culvert pipe, the widening of portions of Van Dyke Rd., Rideout Rd., and Federal Hill Rd., also shoulder work on Ranger Rd., removal of trees and brush along with the widening of a portion of Neven's Rd., We have loaded some 7,000 cubic yards of gravel and 1,500 cubic yards of sand with the loader at a saving of some 10 cents per cubic yards over hired equipment. Also the convenience of having a machine available when needed at the time to do the job makes the machine more valuable to us.

The T.R.A. work was not completed because of the legal complications of the relocation of Howe Lane. We hope to complete the project in 1969. Maple Knoll Drive was graveled and paved this year. Some shoulder work remains to be done.

Winter maintenance is being accomplished with the hiring of only two trucks instead of the four which were hired last year. Again the loader has proven to be an important part of necessary equipment in the year round maintenance and construction of our highway system. The hour meter is registering nearly 500 hours of use since May. This does not include the hours the machine sat by on many jobs ready for use for which we would have had to pay if the loader had been hired.

Some of the trees cut beside the roads were sawed into lumber and milled to be used in repairing the old portion of the Highway garage, with our own personnel.

We in the Highway Department feel that at last we are on the way to a more efficient and effective organization.

CHARLES DOW,

Road Agent

THE RECREATION COMMISSION

The Recreation Commission would like to acknowledge the direction and support given freely by the townspeople of Hollis to the continuing newly initiated and proposed programs of recreation within our town, which are as follows:

Little League, Babe Ruth and Softball; Basketball; Tennis tournaments and Clinic; Ski and Swim lessons; Horseshoes, Lawn bowling and the Hollis Athletic Association.

The committee appreciates the help they received from some of the citizens in raking and preparing the soil for seeding around the tennis court.

HOLLIS CONSERVATION COMMISSION

Hollis, New Hampshire

Progress Report

1968

Dear Fellow Townsman:

The Hollis Conservation Commission was formed with the purpose of protecting and managing our natural resources. To date, the Commission has acquired five parcels of wetlands and woodlands comprising approximately 28½ acres. We most recently acquired an 11.8 acre lot on Rocky Pond Road.

Signs, made by Charles Brigham, have been placed at this and other sites held by the Conservation Commission. Townspeople are welcome to hike, explore and enjoy nature in these areas.

The Commission is interested in obtaining additional land for conservation purposes. This could be accomplished by outright gift or by bequest. Such gifts would be tax deductible. If you are interested in helping us preserve the natural resources of Hollis, please contact any member of the Commission.

EDWARD McDUFFEE, Chairman
BARBARA WELLS, Secretary
CHARLOTTE BALLARD, Treasurer
ROBERT SHELDON
JACK JOHNSON
LOUIS TETLOW
ROLAND SCHELLENBERG

ANNUAL REPORT OF THE HOLLIS CONSERVATION COMMISSION

In the past year the Conservation Commission acquired an 11 acre parcel of land on Rocky Pond Road bringing its total wetland holdings to 28 acres more or less. Efforts are being made to obtain some land fronting on the Nashua River for conservation purposes.

An inventory of the several different parcels held by the Commission has been noted and a perambulation of the boundary lines made to familiarize the members with the property. Signs have been placed on the roadside to indicate the general locations of the lots for the public. The signs were prepared by Charles Brigham and donated to the town for which we thank him.

The Conservation Commission sponsored both a clean up day and a Governor's Beautification program which was carried out by citizens of the town and by various organizations.

Since conservation should be an integral part of town planning we have made ourselves available and attended meetings with the town planning board to assist in the overall planning of the development of the town and more particularly as it affects conservation.

There are many ways in which the town can conserve its natural areas, but one of the foremost is the removal of the town dump to a different site so the water shed in which it now lies will not be further contaminated. Another way is for each of us as citizens to see that areas bordering our highways and streams are not despoiled by rubbish and beer bottles.

Conservation is everyone's job and only by each of us actively participating in it can America remain beautiful for our posterity.

BARBARA WELLS, Secretary
ROBERT SHELDON
CHARLOTTE BALLARD, Treasurer
JACK JOHNSON
ROLAND SCHELLENBERG
LEWIS TETLOW

REPORT OF TOWN FOREST COMMITTEE 1968

The program of timber stand improvement was continued by Kurt Olson and Edward Chamberlain. They did a lot of work in Spalding Park and some in the big Dickerman Lot, near David Munroe's house. In the latter area there is a stand of nice young pine. This is due to the work of a group of volunteers several years ago cutting hardwood brush that was overtopping small pine that seeded in after the hurricane of 1938. If this earlier work had not been done there would now be a lot of poor quality hardwood trees good only for cordwood.

Part of the cost of this year's improvement work was paid for by the Federal Government under the Agricultural Conservation Program and the rest from profits of our annual cut of pine sawlogs.

Howard Parkhurst, who has done our logging for many years, cut about fifteen thousand board feet in the Big Dickerman Lot. He has thinned this same area twice before. Part of the logs were sold to the Wilkins sawmill and part were sawed into boards and piled behind the High School for use in the school shop. At the least, this amount could be cut each year, leaving the better, straighter pine. We hope that any profits will be turned over to the Conservation Commission to be used to buy more wildland as it comes on the market.

We feel that the forest should not be managed for profit only. Many other aspects should be considered, such as open space to be used by hikers, horsemen, snowmobilers, as an easy place to study wildlife, etc. The town is fortunate to have about 500 acres of managed woodland with a good road system, ponds, brooks and marshes. We hope more people will make use of the forest.

One day was spent showing the two new members of the Committee, William Ingram and Arthur Woods, the different tracts and their boundary lines.

We were fortunate to have three good signs, made and donated by Charles Brigham. They were placed on the Silver Lake Road; one where the road to Spalding Park starts, one on the Big Dickerman Lot a little north of Hayden Road and one on the Little Dickerman Lot a little south of Witches Spring.

PLANNING BOARD REPORT

Although no new sub divisions were presented to the Board in 1968, it was an active year. All effort has been on future planning.

The location of Hollis spells growth. The Board has felt for some time that we need an in-depth study in the areas of land use, facilities and utilities, roads etc. preferably with professional guidance.

The Board, Conservation Commission, Recreation Commission and Selectmen met with two representatives from the State Planning office in June. The availability of State assistance, Federal funds and the need for a Hollis Comprehensive Plan were discussed. It was apparent we needed professional help.

In June, with the Selectmen, we met with representatives from two consultants; Anderson Nichols and Candeub-Flessing and Associates, both of Boston. Valuable advice was received. Our first meeting with Hans Klunder Associates of Hanover, N.H. was in August. Based on the small N.H. town experience of Hans Klunder, the Planning Board decided at a meeting the following week that if the town wished to complete a comprehensive plan that they should be consultants.

The last week in August we again met with Hans Klunder aiming toward the completion of a reconnaissance and scope to be presented to the town. This material is prepared by Hans Klunder at no charge.

More area planning is being strongly urged by the Federal Government. Nearly to the point that two thirds matching Federal funds are difficult to receive for a town plan if a town is not part of an area plan. Therefore we recommend the town join the Nashua Area Organization that is now being formed.

We anticipate an article in the warrant and further information being presented at town meeting.

At least two Planning Board members will attend a ten week (25 hour) Town Planning Seminar being given at St. Anselms College.

ZONING BOARD OF ADJUSTMENT

During 1968 the Zoning Board of Adjustment held four hearings on variance requests. Granted were requests by Charles Curtis for a storage building at Silver Lake with a side lot of less than 15 feet, and the Contoocook Valley Telephone Company for an addition to the Central Dial Office a nonconforming use in the area. Jack Rossborough of Wheeler Road was granted a permit, to expire April 1969, for a temporary steam curing Room.

Permits were denied to William Ingram of Proctor Hill Road to convert a shop into a two family residence and Richard Drisko of Wheeler Road for a garage with front yard to be 13 feet.

Several other requests were made over which we had no jurisdiction or which had insufficient information for our action and are still pending or have been discontinued.

ANNUAL REPORT OF THE DOG OFFICER

1968 was a very busy year for dogs. It started off with January and February being very heavy. I handled twice as many dogs as the year before.

I received 126 calls from Communications about dogs. I answered 108 complaints; and I picked up 118 dogs. Of these, 87 were strays and I found homes for 31 of them. There were 18 dogs hit by motor vehicles. I also picked up 3 dogs killed by various causes, and disposed of 8 dogs at the request of their owners.

ERNEST G. PRATT
Dog Officer

REPORT OF HEALTH OFFICER

During the 1968 year, the duties of the Health Officer consisted of inspection and reports on homes for the care of foster children, investigation of possible food contamination, inspection of public buildings for health hazards, checking on public and private water supplies, routine investigation of the town dump which Mr. Frost oversees in a satisfactory manner, and the answering of complaints concerning sewerage, garbage problems, etc.

Respectfully submitted,

ROBERT F. SUNDSTROM
Hollis Health Officer

COMMUNICATIONS CENTER

To the Selectmen:

Calls to the Communications Center greatly increased in 1968. 2910 calls were processed on the Police phone. Of these, 1240 required police attention. Included in the 1670 miscellaneous calls were 57 wrong numbers, 99 with no one on the line, 9 children on the line, 126 for the dog officer, 77 for the highway department, 23 for a conservation officer and 18 ambulance calls. 3009 radio calls were logged.

For the Fire Department 576 calls were received. 40 calls reported fire or smoke, 3 were false alarms. 263 calls were logged on the fire radio.

Respectfully submitted,

RHETA MCGILVARY

BUILDING INSPECTORS REPORT

Permits issued during 1968 by the Building Inspector include the following:

Single family residences	25
Two family residences	1
Additions to residences	18
Mobile homes	10
Storage buildings	9
Garages	4
Green houses	3
Farm buildings	2
Signs	5
Commercial buildings	1
Addition to comm. building	1
Barns	1
Skeet houses	2
Chicken houses	1
Swimming pools	1
Chimneys	2
Student shelters	1
Water supply & sewage disposal systems	36

Permits for the construction of 25 single family residences during 1968 was the same as for the previous year. There was also one permit for a two family residence.

The ten mobile homes for which permits were issued in 1968 will occupy all of the remaining lots allowed under the provisions of the present zoning ordinance.

The mobile home park as it is now being completed seems to provide a definite need for low cost housing in an acceptable although limited manner.

Construction for agricultural purposes was somewhat less than in the previous year, which may be a reflection of the change evolving in the way of life in the rural towns of the area.

CLARENCE L. HOWE
Building Inspector

REPORT OF THE SELECTMEN

1968 was another chapter in the forward growth of Hollis. The Selectmen have worked closely with the Planning Board, Conservation and Recreation Commissions, Fire, Police and Highway Departments, to make this progress of a stable and durable nature.

With the Planning Board, we have taken part in a study for a 20 year Comprehensive Plan to be undertaken by the town. There is much benefit to be derived also from joining a Regional Plan with Nashua and eleven surrounding towns.

With a current operating Town and School budget of over \$500,000. an overall plan is essential for the future of Hollis.

The Police and Fire Departments have each put a new vehicle into use through use of the Capital Reserve program.

The Highway Department completes its first year as a three man force with better equipment to get the jobs done. They have also remodeled and enlarged the Town Shed, themselves.

In conjunction with the Recreation Commission and the Legion, a trial "Teen Center" have been set up in the Legion Hall.

As the "Board of Assessors" the Selectmen spent four months examining and adjusting property valuations in line with sound market values within the area. The results are:

An increase in the net valuation from \$6,363,219. to \$7,123,599. Due to the increased School Budget mainly, the total money to be raised by taxes increased from \$407,246.05 to \$518,270.33. This increase, in excess of \$111,000. is double what the townspeople have ever voted before.

This annual task which the board performed is monumental in scope, requiring an overall grasp of the needs of the community.

We express our thanks to the people for their co-operation which enables us to get the job done.

RALPH J. HARDY, Chairman
JEFFREY P. SMITH
RICHARD WALKER

ANNUAL TOWN MEETING - MARCH 12, 1968

The meeting was opened by Moderator Towne at 9:00 A.M. for voting under Article 1, to choose all necessary Town Officers for the year ensuing, also for voting in the Presidential Primary. The polls were closed at 7:10 P.M. The business meeting was opened at 8:15 P.M. by Moderator Towne reading the Warrant. Prayer was offered by Rev. Philip H. Mitchell.

ARTICLE 1 was passed until the votes were counted.

ARTICLE 2 - Moderator Towne deferred action on this article until the other articles were acted on.

ARTICLE 3 - The reports of Town Officers and Committees were accepted as printed in the Town Report.

ARTICLE 4 - Motion by Clarence Howe to authorize the Selectmen to borrow money in anticipation of taxes. Seconded. Carried.

ARTICLE 5 - Motion by Frank Whittemore to accept State Aid for the construction of Class V roads and appropriate the sum of \$1,296.59 to pay the Town's share. Seconded. Carried.

ARTICLE 6 - If blank inventories are mailed out no vote is needed for their distribution.

ARTICLE 7 - Motion by Deane Simpson to assess a fine of \$.25 on each poll tax not paid on December 1, 1968. Seconded. Carried.

ARTICLE 8 - Motion by Erving Simonds to raise and appropriate the sum of \$25.00 to be expended in co-operation with the N.H. Forestry and Recreation Commission for Forest Fire Protection. Seconded. Carried.

ARTICLE 9 - Motion by Dick Navaroli to raise and appropriate the sum of \$2,000.00 to be placed in the Capital Reserve funds to be used towards the purchase of a fire truck. Seconded. Carried.

ARTICLE 10 - Motion by David Seager to allow the withdrawal of all funds in the Capital Reserve Fire Truck Fund to be used for the purchase of a fire truck; any unexpended balance to be returned to the Capital Reserve Fire Truck Fund. Seconded. Carried.

ARTICLE 11 - Motion by David Wright to allow the Board of Fire Engineers, with the Selectmen, to purchase a fire truck, the cost not to exceed the amount of money to be available in the Capital Reserve Fire Truck Fund. Seconded. Carried.

ARTICLE 12 - Motion by Erving Simonds to raise and appropriate the sum of \$5,000.00 to be used to purchase the 4 1/3 acre Beebe land on Depot Road, and authorize the Selectmen to make this purchase. Seconded. Carried.

ARTICLE 13 - Motion by Henry Hildreth to authorize the Selectmen to purchase a bucket loader not to exceed \$18,000.00 with a down payment of \$5,000.00 this year, balance payable over a five year period with interest. Seconded. Carried.

ARTICLE 14 - Motion by David Seager to authorize the Selectmen to raise and appropriate the sum of \$2,000.00 to be placed in the Capital Reserve Grader Fund. Seconded. Carried.

ARTICLE 15 - Motion by Richard Devens to raise and appropriate the sum of \$800.00 to be added to the Police Cruiser Capital Reserve Fund. Seconded. Carried.

ARTICLE 16 - Motion by Frank Whittemore to allow the withdrawal of all funds in the Capital Reserve Police Cruiser Fund to be used for the purchase of a new 1968 Police Cruiser, any unexpended balance to be returned to the Police Cruiser Capital Reserve Fund. Seconded. Carried.

ARTICLE 17 - Motion by John McAllister to allow the Selectmen to purchase a new Police Cruiser the cost not to exceed the amount of money available in the Police Crusier Capital Reserve Fund plus money available in a trade in or sale of the present Police Cruiser. Seconded. Carried.

ARTICLE 18 - Motion by Harold King to raise and appropriate the sum of \$500.00 to be placed in the Town Shed Capital Reserve Fund. Seconded. Carried.

ARTICLE 19 - Motion by Donald Smith that, beginning with the Town Meeting of 1969, thence forward, the method of choosing members-at-large of the Town Budget Committee shall be by election of the Town Meeting as opposed to the method employed presently and in the past viz: appointment by the Moderator. Seconded. Vote by ballot. no - 80, yes - 50. Not Carried.

ARTICLE 20 - Motion by Henry Hildreth to approve the addition of the 16 acre Noah Hardy lot to the Town Forest. Seconded. Carried.

Superintendent's Office

70 Nashua Street

Milford, N.H.

673-2202

Amherst – Brookline – Hollis – Milford – Mont Vernon

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Hollis qualified to vote in district affairs:

You are hereby notified to meet at the Walters Auditorium, Hollis High School in said district on the tenth day of March 1969, at eight o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.
3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
4. To see if the school district will vote to increase the school board from three to five members as provided in the New Hampshire Revised Statutes Annotated Relating to Public Schools, Chapter 197, Section 15, with one new member elected for two years and one member elected for three years, the same to be elected at the next annual school meeting.
5. To see if the school district will accept the provisions of RSA 195-A (as amended) providing for the establishment of an area school located in Hollis to serve the following grades 7-12 from the school district of Brookline, etc. in accordance with the provisions of the plan on file with the district clerk.
6. To see if the district will vote to authorize the School Board to make application for and accept on behalf of the school district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire or from any other source.
7. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

8. To see if there is any other business to come before the meeting.

Given under our hands at said Hollis this 13th day of February, 1969.

ADMINISTRATIVE SCHOOL REPORT

To the Citizens of Hollis:

The responsibility of the school, in our democratic society, is to provide an educational program within which framework all students may become all they are capable of becoming. We are continually driving towards fulfilling this goal as we move forward only to pause a moment to review the past.

Our year began under the fine leadership of John A. Murphy, Jr., Superintendent of Schools. Mr. Murphy resigned from this position during the summer of 1968 when he accepted a position for advancement. The impact of Mr. Murphy and his untiring efforts will long be felt in Supervisor Union No. 40. Great strides in education were made during his reign as superintendent here.

After Mr. Murphy's resignation, Mr. Donald Desmarais, Hollis High School Prinicipal, was appointed to fulfill the role of Superintendent until an interim superintendent could be located. Mr. Desmarais is to be congratulated for his outstanding efforts as Acting Superintendent for Supervisory Union No. 40.

In August, we were indeed fortunate to locate Mr. Lewis F. Foote, Retired Superintendent, to guide and direct us as Acting Superintendent for the period of August 1 to December 20. An admirable job was done by Mr. Foote. In December, Supervisory Union No. 40 found its new Superintendent to again lead the districts toward fulfilling its educational philosophy.

Another of our fine leaders found his opportunity to further his education. Mr. Edward J. Lawton, Teacher Consultant for the past two years, resigned in August to pursue a Doctoral Program at the University of Virginia. Mr. Lawton worked closely with the elementary staff and should be congratulated for the improvements that he has made in the elementary program of our Union. In August, a Teacher Consultant was appointed replacing Mr. Lawton to continue his role.

Change appears to be the theme of this report to date, and we continue to note another in our Hollis Elementary School. A change of administration occurred here during the summer of 1968, when Miss Ruth Merritt was appointed Principal of the Hollis Elementary School replacing Mrs. Marion J. Jacques.

The school year opened September 3, 1968 with all staffs in Supervisory Union No. 40 meeting at the Milford AREA School for Superintendent Foote's message. The next three days were fully occupied

with departmental planning, workshops, classroom organization and staff meetings. As a result, school opened smoothly September 9, 1968 with an enrollment in the Elementary School of 353 pupils. Enrollment as of December 31, 1968 had risen only to 354.

A fine staff of experienced elementary teachers returned to Hollis. New Staff members include:

Miss Mary Jane Quirk	Special Class Teacher
Miss Gail Rockwood	Grade Two
Mrs. Marion Crowley	Grade Two
Mrs. Gail Barney	Grade Two
Miss Donna Howe	Grade Three
Mrs. Glenice Sundstrom	Grade Four
Mrs. Elizabeth Robinson	Reading
Mrs. Betty Hall	Reading Consultant
Mrs. Paula Selmar	Teacher Aide

In the Music department, Mrs. Sue Stillman is instructing grades one, two and three. In so doing, Mr. Tong finds time to continue his work as music teacher for grades four, five and six. A Hollis Elementary School Glee Club has been formed in the upper grades under the direction of Mr. Tong.

This year, Hollis Elementary moved into the new addition. This gave an opportunity to try the departmentalized programs for grades five and six in a wider scope. To facilitate this program, a reading position was added to the staff to take care of this vital area in grades five and six.

The Special Class has developed well this year in a larger classroom with eight students.

Under the skillful direction of Mr. Lou Korcoulis, the Physical Education Program was extended to include grades one through three, as well as grades four, five and six. Mr. Charles Smith ably assisted by taking over the second grade program.

Miss Noella Pichette, French teacher, meets with fifth and sixth grade classes three times per week. The children are learning conversational French.

Mr. Cardner continues his role as Elementary Guidance Counselor. Mrs. Saxe, Speech Pathologist, meets weekly with children to help in their speech development.

Mr. William Munroe, custodian, continues doing a fine job in the maintenance of the building. Due to the new wing, another custodian was added to the staff. Mr. Ralph Brown assists on a part-time basis.

The cafeteria is under the management of Mrs. Elsie Towne assisted by Mrs. Mildred Lund and Mrs. Beatrice Reed and Mrs. Nancy Mulcahy, and mothers as volunteer workers. This lunch program serves approximately 62% of the student body daily.

The health program continues to be successfully administered under the direction of Miss Pauline Woods, School Nurse. The much needed nurse's room for the clinics, hearing and vision testing of all children and first aid has been a great help.

During the month of April, the pre-school clinic was held. Physical examinations to the extent of eyes, ears, teeth and speech were given.

The annual pre-school luncheon took place in May. Incoming first grade students and their parents attended. They observed first grade classes in session on that day and became acquainted with school routine.

The annual Sixth Grade Science Fair was the highlight of May. Donald Hurt and Charles Sipe took top honors for their work on "Ants".

In June, our Annual Field Day, a most popular event, was held for the students in all grades.

September activities included the Mental Maturity and annual Reading Readiness tests for first grade students.

Physical examinations for Special Class, grade four and all new students were done in October. Also, the State Testing Program for grades two, four and six started this year. The Stanford Achievement Tests were given these grades during the week of October 14th. At the same time, grades three and five participated in the Iowa Basic Skills Achievement Test.

Annual Open House was held in November during American Educational Week. The Book Fair was held at this time, also. Mrs. Martha Spaulding and Mrs. Madeline Denault gave much time and effort to this worthy cause. Sales amounted to \$780.00 and the school library realized approximately \$150 worth of books from the fair. The month of December brings a close to the calendar year at Hollis Elementary School.

A generous portion of our energies in the High School this year were devoted to planning, both for the year in progress and the year ahead. The need to look ahead has been great with our rapidly growing student body and the new school addition already under construction. One major concern has been the provision for flexibility within the design of the new building. We think the inclusion of movable partitions and the exclusion of corridors was a sound decision both educationally and financially for the town.

Perhaps even a bigger task is planning a flexible school program which will allow us to make the best use of existing space, and the best use of educational innovations which seem sound and worthwhile to us.

ENROLLMENT

School Enrollment: Grade 7 – 67 pupils; Grade 8 – 68 pupils; Grade 9 – 63 pupils; Grade 10 – 56 pupils; Grade 11 – 35 pupils; Grade 12 – 42 pupils.

SCHOOL PROGRAM

The following is a list of subjects presently being taught in the High School.

Advanced Math III	Advanced Math IV
Algebra I	Algebra 8A
Art 7 – 8	Art 9 – 12
Art I	Band 7 – 12
Bio Chemistry	Biology 9
Biology 10 – 12	Bookkeeping I
Chemistry	Chorus 7 – 8
Chorus 10 – 12	Civics
Consumer Economics	Contemporary Problems
Drama	Driver Education
Earth Science 9A – 9B	English 9A – 9B – 9C
English 12A – 12B	Family Living
French 7A – 8A	French I
French II	French III
French IV	Geometry
History of Civilization	Homemaking 7A – 7B
Homemaking 8A – 8B	Homemaking I
Homemaking II	Humanities I
Humanities II	Humanities IV
Humanities V	Humanities VI
Latin I	Mathematics 7A – 7B
Mathematics 8B	Mathematics I
Mathematics II	Mechanical Drawing
Office Practice	Personal Typing
Physics	Physics, Applied
Physical Education 7 – 12	Psychology
Reading 7, 8, 9 – 12	Science 7A – 7B
Science 8A – 8B	Senior Seminar
Shop 7A – 7B	Shop 8A – 8B
Shop I	Shop II
Shop III	Shop IV
Shorthand I	Shorthand II
Typing I	Typing II

Class of 1968

Thirty-eight seniors were graduated in June of 1968. Thirty are continuing their formal education, one is in the service, six are employed and one is at home.

Carlene Barber	Keene State College
David Brown	University of New Hampshire
Laurie Brown	Rivier College
Harvey Cable	Plymouth State College
Suzanne Chabot	Granite State Hairdressing School

AWARDS OF INTEREST

David Goulder, and Bruce Watson were chosen Valedictorian and Salutatorian respectively.

Dorothy Haskell Scholarship from Supervisory Union No. 40 – Richard Sullivan

Hollis Citizens' Scholarship Foundation: Carlene Barber, Elizabeth Lysik, Kathleen Lysik and Richard Sullivan Jr.

Student Council Scholarships: Daniel Luce, Bruce Watson and James Rock

Hollis Women's Club: Janet Kibby and Kathleen Lysik

John H. Hills Memorial Scholarship; Bruce Watson

South Merrimack, South Village Woman's Club: Carlene Barber

Bausch and Lomb Science Award: Bruce Watson

I Dare You Award: Douglas Clark and Marjorie Mason

DAR Good Citizenship Award: Marjorie Mason

Sterling Silver Homemakers Award: Janet Kibby

Betty Crocker Award: Marjorie Mason

Technorama Award: Donald Hunt

National Merit Scholarship Corporation: David Goulder, Marjorie Mason, Bruce Watson and Harriet Winchester

Gregg Award: Elizabeth Lysik, Marjorie Mason and Deborah Sipe

Foreign Language Award: David Goulder and Bruce Watson

Annual Awards for Excellence in English: Judy Harris

Social Science: Bruce Watson

Biology: James Cole

Physics: Donald Hunt

Chemistry: Marilyn Luce

Mathematics: David Goulder

Home Economics: Debbie Orde

Industrial Arts: Laurie Brown

Dramatics: Douglas Clark

Editor Yearbook: Harriet Winchester

Newspaper: Sue Singer

Outstanding Service: Debbie Sipe

Humanities: Marjorie Mason

ACCOMPLISHMENTS

Hollis High School will remain a relatively small high school for some time to come, and it is important that we continue to show growth in the area of curriculum improvement. One procedure is to discover the potentials of smallness and use them to their fullest. Our greatest strength lies in a strong desire for improvement, and combined ingenuity.

1. Junior High Glee Club has been increased to meeting twice a week.
2. A course in Drama has been added to supplement the art offerings.
3. Applied Physics has been added to fill the need of vocationally oriented students.
4. Shop IV has been added to enhance our industrial arts program.
5. Music Appreciation for grade 9 has been dropped as a formal course and has been integrated into Humanities IV.
6. Senior Seminar has been added as a senior elective.
7. One additional section of Geometry to accommodate increased enrollments.
8. French IV is now a formal honors course. We presently have an honors course in each of the major disciplines and is so listed on student transcripts.
9. Art I, an independent study course, has been added which will allow certain able youths to strike out on their own to study in depth.
10. Our reading program has been expanded to include remedial, developmental and advanced reading courses.
11. A one semester course in Office Practice has been added to our Business Department.
12. Donald Hunt, one of our seniors who has attended Saint Pauls last summer has taught a one semester course in Computer Programming to a group of interested students. Considerable help was given to the class by Mr. Frederick LosKamp.
13. Mr. Tudor Richards and Mr. Jeffrey Smith have continued their assistance in guiding field trips.
14. Mr. Lary is continuing with his Newsletter for the community.
15. Team teaching has been incorporated into several areas of the curriculum.
16. Plans are underway to continue with an orientation program for the present sixth graders.
17. We will be offering College Advanced Placement Exams for seniors presently in the honors program.
18. We have begun an association with the National Humanities Faculty to assist and enrich our program.

19. An awards program for recognition of excellence in the various disciplines and school activities has been initiated.

20. We are presently planning to expand our humanities program to include grade 9. The core of this course would stress individual values and the search for self.

21. Our extracurricular program continues to grow with this year's addition of an Industrial Arts Club, Slot Car Club, Stamp Club and the DYD which is a folk singing club.

22. Last summer, two of our teachers, Mr. Mitchell and Mr. Fox, worked for a six week period planning and writing for this year's Humanities IV Program.

HIGH SCHOOL FUTURE NEEDS

1. Through the outstanding effort of the community, adequate classroom space and resource center will be available in the Fall of 1969.

2. Class sizes are increasing in numbers to the point where additional grouping is mandatory. This will require additional staff to do a good job with the curriculum as it is written. This is especially so in the areas of math and science in both the junior and senior high levels, the humanities classes in grades 10 and 11, and in the shop, music, art, and physical education.

3. The increase of team teaching, flexible scheduling and the broad fields approach to curriculum will have to be used to improve the overall attempt to individualize learning.

4. Because the Resource Center is the focal point of our entire program, the need for source materials will continue.

SCHOOL BOARD

This has been an extremely busy and active year for the members of the School Board. We have made every effort to maintain and improve our educational standards. Along with this, we have been faced with our increasing school population and nation-wide inflationary trends. We wish to thank our many supporters from the town who have helped us complete a successful year. We would like to mention specifically the Selectmen, the Budget Committee, the Moderator, the Building Committee, the AREA Committee and the many volunteers who have served in so many capacities in the two schools.

In May, the Elementary School addition was dedicated. It was put into use this fall and is functioning very successfully. The library there has been completely catalogued and set up by Mrs. Paul Sipe and is being maintained by volunteer women in the town.

At a Special Meeting on October 1, 1968, the town voted to build an addition on the High School. The Elizabeth B. Carter Foundation, at this time, donated a sum of \$50,000 to the new library center. This gift is a milestone in our school history. Many hours of planning have gone into the High School addition. We have had a very active and astute Building Committee led by Laurie Harris and consisting of Joseph Archambault, Lawrence Morrison, Frank Whittemore and Morton Goulder. We have been assured that this addition will be ready for use at the beginning of school next fall.

We have held many meetings with the AREA Committees of Brookline and Hollis. Brookline is faced with the problem of making permanent plans for the education of its junior and senior high school students. They would like Hollis to consider receiving them on an AREA basis. The townspeople must consider all the elements of this proposal and give us direction at the District Meeting.

Also in the Warrant for the School Meeting, we are proposing that two new School Board Members be added bringing our number up to five. Since we have a high school, the state allows us to have a board of this size. We feel that more members would help our program. With our town's growth, we have to be constantly looking to the future.

CONCLUSION

To the citizens of Hollis, we express our sincere appreciation for your continued support.

Ira A. Stickney

SYNOPSIS OF SCHOOL MEETING

March 11, 1968

The annual meeting of the Hollis School District was called to order at 8:00 p.m. in the Town Hall by Moderator Towne with about 200 voters present. Mr. Towne announced that the voting for school district officers would be held at 9:00 a.m. at the time of the Town Meeting on March 12, 1968.

Article I: Voted to pass over this article and act on it with Article IV.

Article II: Voted to accept all reports as printed in the School Report.

Article III: Voted that town auditors serve as school district auditors.

Article IV: Moved to appropriate \$515,340. as recommended by the budget committee, for the support of schools, for payment of school district officials and agents, and for the payment of statutory obligations of district. Seconded. Motion amended to include \$6,000 for insurance. Seconded. Amendment so voted. Motion amended to include \$12,000 for new teachers. Seconded. Amendment so voted by ballot vote – 70 yes, 59 no. Motion that the district raise and appropriate the sum of \$533,340 for the support of schools, for the payment of salaries for school district officials and agents and for the statutory obligations of the district seconded and so voted.

Article V: Voted that the district authorize the School Board to make application for and accept on behalf of the school district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire or from any other source.

Article VI: Voted to create an AREA Planning Committee to be appointed by the Moderator to work under the AREA Act and to do whatever duties as spelled out in the statutes and to report at a Special District Meeting to be held on or about June 10, 1968.

Article VII: Voted to authorize the School Board to appeal to the Superior Court for a Special School District Meeting to be held on or about the 10th of June, 1968 at the Walters Auditorium to vote on a proposed addition to the Hollis High School.

Article VIII: Mr. Frank Whittemore was given a rising vote of thanks for his faithful service on the School Board for 15 years. Mr. Whittemore thanked Tudor Richards and Jeffrey Smith for their contribution to the Hollis schools in their science and nature studies. He also thanked parents

for the volunteer help in the lunch program and the library, and Sanders Associates for their cooperation on the Advanced Math curriculum.

Meeting recessed at 10:20 p.m. to reopen at 9:00 a.m. on March 12th at the Town Hall for balloting for School District officers.

Respectfully submitted,

W. BOYD WESTON
School District Clerk

SYNOPSIS OF SCHOOL MEETING

March 12, 1968

Results of the ballot voting for School District officials are as follows:

Article I: Warren Towne was elected Moderator.

Article II: W. Boyd Weston was elected Clerk.

Article III: Frederick Pitman was elected a member of the School Board for the ensuing three years.

Article IV: W. Boyd Weston was elected Treasurer.

Respectfully submitted,

W. Boyd Weston
School District Clerk

SYNOPSIS OF SPECIAL SCHOOL DISTRICT MEETING

September 17, 1968

The Hollis Special School District Meeting was held at the Walters Auditorium on September 17, 1968 at 8:15 p.m. Meeting was called to order by Moderator Towne and the warrant was read. The Prayer of invocation given by Rev. Mitchell.

The warrant to be acted upon is as follows:

To see if the District will vote to construct an addition to the present Hollis High School and vote to raise and appropriate the sum of \$319,000 for constructing and originally equipping said addition to the Hollis High School; that to raise this appropriation the School Board be authorized to borrow \$319,000 under the Municipal Finance Act; that in addition to the foregoing appropriation the School Board be authorized to apply any State, Federal or other funds towards the foregoing purposes according to the terms under which such funds are received; that any interest received shall likewise be applied for such purposes; and that the School Board be authorized to take all action necessary to carry out this vote.

It was moved that the District vote to construct an addition to the present Hollis High School. Seconded. Results of vote by ballot and checklist:

Votes cast	268
Votes needed	135
For	148
Against	120

Motion carried.

It was moved that the District vote to raise and appropriate the sum of \$319,000 for constructing and originally equipping an addition to the Hollis High School; that to raise this appropriation, the School Board be authorized to borrow \$319,000 under the Municipal Finance Act; that in addition to the foregoing appropriation, the School Board be authorized to apply any State, Federal or other funds towards the foregoing purposes according to the terms under which such funds are received; that any interest shall likewise be applied for such purposes; and that the School Board be authorized to take all action necessary to carry out this vote. Seconded. Results of vote by ballot and checklist:

Votes cast	275
Votes needed	184
For	168
Against	107

Motion defeated.

It was moved that the meeting be recessed until October 1, 1968 at 8:15 p.m. at the Walter Auditorium, and that the committee restudy the proposal and come up with a less expensive solution which would be more in line with the feeling of the meeting. Seconded. So voted.

Meeting recessed at 11:15 p.m.

Respectfully submitted,
W. BOYD WESTON
School District Clerk

HOLLIS RECESSED SPECIAL SCHOOL DISTRICT MEETING

Hollis School District held its Recessed Special School District Meeting on Tuesday, October 1, 1968 at Walters Auditorium at 8:15 p.m. Meeting was called to order by Moderator Towne.

It was moved that the District vote to raise and appropriate the sum of \$315,000 for constructing and originally equipping an addition to the Hollis High School; that to raise this appropriation, the School Board be authorized to borrow \$315,000 under the Municipal Finance Act; that in

addition to the foregoing appropriation, the School Board be authorized to apply any State, Federal or other funds towards the foregoing purposes according to the terms under which such funds are received; that any interest received shall likewise be applied for such purposes; and that the School Board be authorized to take all action necessary to carry out this vote. Seconded. Result of vote by ballot and checklist:

Votes cast	424
Votes needed	283
For	285
Against	139

Motion carried.

Mrs. Colson, Chairman of the School Board, announced the donation of \$50,000 from the Elizabeth B. Carter Foundation, to defray operating and equipment costs of the Resource Center and assist principal and interest payments on bond issue for the next few years.

Mr. Winthrop Carter read the following statement:

On behalf of the Elizabeth B. Carter Foundation, of which my mother, Mrs. Elizabeth B. Carter is president, I am pleased to offer the Hollis School District the sum of \$50,000 subject to the following conditions:

1. This contribution will only be made if it is voted to construct a satisfactory addition to the Hollis High School on or prior to October 15, 1968.
2. Payment in full will be made in stock or securities when, in the opinion of the Treasurer of the Foundation, construction of the above described addition has been started.
3. To permit the most efficient use of the funds, this contribution is for the unrestricted use of the District. It is the hope of the trustees that at least a portion of the funds might be used for expenses incidental to the new proposed Resource Center, which is of particular interest to the trustees of the Foundation.

The Trustees of the Foundation believe that effective public education is most vital to ensure a progressive community and make this offer to further this objective.

WINTHROP B. CARTER, JR. Treasurer
The Elizabeth B. Carter Foundation

October 1, 1968

It was moved that the generous gift from the Elizabeth B. Carter Foundation of \$50,000 be accepted, to be used towards bond interest, development and support of the Hollis Junior and Senior High School Resource Center or for other operational costs at the discretion of the Hollis School Board; said Resource Center to be named the Carter Resource Center. Seconded. So voted.

Meeting adjourned at 10:30 p.m.
